

DECLARATION of ARCHBISHOP Vincenzo PAGLIA at the SYMPOSIUM of the FAMILY ASSOCIATIONS

"This a particularly important meeting both with regard to its participants as well as the moment in which it is taking place. For the first time, right in the middle of the synodal process, representatives of worldwide family movements are gathered for days of encounter, exchange, reflection and, of course, to share their knowledge. I think that, above all, the particularity of the conjoint ecclesial meditation on the *Lineamenta* of the next Synod should be emphasized. This would then highlight the quality, in this ecclesial perspective, of a response to the questionnaire that will be presented to the Synod's Secretariat."
